

# LAKE REGION ELECTRIC COOPERATIVE RESIDENTIAL ENERGY EFFICIENCY REBATES

LREC's rebate opportunities give you all the choices you need to make your home and business more energy efficient. In addition to LREC's rebates, the Inflation Reduction Act (IRA) has the potential to provide LREC members with additional tax credits and rebates. To learn more about IRA and the savings offered, please visit [www.energy.gov/save](http://www.energy.gov/save).
