LAKE REGION ELECTRIC COOPERATIVE
RESIDENTIAL ENERGY EFFICIENCY REBATES

Updated 4/2026

LREC's rebate opportunities give you all the choices you need to make your home and business more energy efficient. In addition to LREC's rebates, the Inflation Reduction Act (IRA) has the potential to provide LREC members with additional tax credits and rebates. To learn more about IRA and the savings offered, please visit ***www.energy.gov/save***.

- **Rebates must be purchased/installed between Jan 1, 2026, and Dec 1, 2026**
- **Request for rebates must be submitted to LREC by December 15, 2026. Once funds have been depleted, rebates will cease for the year.**
- **Total rebate amount will not exceed the total of purchase & installation costs.**
